

Protected Plant and Animal Species

Mediterranean Monk Seal, Green Sea Turtle and Loggerhead Sea Turtle (Caretta Caretta) are some of the animals under protection in these regions.

Some of our protected plant species, such as Cyclamen, Iris Flower, Sand Lily and Narcissus, are also among the protected species.

5 endemic plants belonging to 5 ancient cities in Antalya province have been taken under protection. These are Burçak growing in Phaselis, Perge's Air Mercury, Side's beastwort, Aspendos' Orchid and Termossos' Crocus. It is unsafe to buy souvenirs obtained from protected plant and animal species.

Hunting is prohibited except on the dates permitted by the Ministry of Agriculture and Forestry.

We kindly request that you do not participate in activities that separate animals from their natural habitat, such as circuses and dolphin shows.
